Agenda Item:

An ordinance regulating the demolition of historical structures in the City of Everett

Background and Explanation:

Attachments:

**AN ORDINANCE REGULATING
THE DEMOLITION OF HISTORICAL STRUCTURES
IN THE CITY OF EVERETT**

1. Purpose

This ordinance is intended to preserve and protect significant buildings within the City of Everett which constitute or reflect distinctive features of the architectural, cultural, political, economic or social history of the city; and to encourage owners of such buildings to seek out individuals who might be willing to purchase, preserve, rehabilitate or restore such buildings rather than demolishing them. In order to achieve these important purposes, the Everett Historical Commission is authorized to advise and consult with the Director of Inspectional Services/Building Commissioner, or his designee, with respect to the issuance of permits for the demolition of significant buildings. The issuance of demolition permits for significant buildings shall be regulated as set forth in this ordinance.

2. Definitions

For the purposes of this ordinance, the following definitions shall apply:

“Applicant” – any person or entity seeking a demolition permit.

“Building” – any combination of materials creating shelter for persons, animals or property.

“Director of Inspectional Services/Building Commissioner” – the municipal officer authorized to issue Demolition Permits pursuant to the Massachusetts State Building Code.

“Commission” – the Everett Historical Commission.

“Demolition” – any act of pulling down, destroying, removing, or razing a building in total, as such will necessitate the issuance of a Demolition Permit under the State Building Code.

“Demolition Permit” – a permit issued by the Director of Inspectional Services/Building Commissioner under the State Building Code for the demolition of a building or structure.

“Demolition Plan” – the plan submitted to the Commission by the Applicant setting forth the facts related to the property and its proposed use pursuant to section 3.5 of this ordinance.

“Preferably Preserved Building” – a significant building which is the subject of an application for a Demolition Permit, and thereafter determined by vote of the Commission to be worthy of preservation.

“Moratorium” – a period of six (6) months following the hearing date of the Commission’s Determination of Detriment regarding the demolition of a Preferably Preserved Building.

“Significant Building” – any building or portion thereof, not listed in the exemptions in Section 6, and which:

- i. is listed on, or is within an area listed on, the State or National Register of Historic Places, or is the subject of a pending application for listing in said National Register; or
- ii. was built in whole or in part prior to 1940 as based upon the age ascribed to the building in the records of the Assessor’s Office and that is used exclusively for dwelling purposes as defined and regulated under the State Building Code.

3. Determination/Procedure

3.1 The Director of Inspectional Services/Building Commissioner will hold in abeyance any application for a Demolition Permit affecting a Significant Building pending compliance with the procedures set forth herein.

3.2 Within ten (10) days of receipt, the Director of Inspectional Services/Building Commissioner will forward any application for a Demolition Permit affecting a Significant Building to the Commission.

3.3 The Commission will hold a public hearing within thirty-five (35) days of receipt of the application for the Demolition Permit. Such hearing may be adjourned at the discretion of the Commission, but in no event shall the hearing be held open for longer than sixty (60) days from receipt of the application for a Demolition Permit, unless the Commission and the applicant agree otherwise.

3.4 The Commission shall give public notice of the hearing by:

3.4.1 Publishing notice of the time, place and purpose of the hearing in a local newspaper at least fourteen (14) days prior to the hearing date; and

3.4.2 By mailing a copy of said notice by first class mail at least fourteen (14) days prior to the hearing to:

3.4.2.1 the applicant;

3.4.2.2 the owners of all property directly abutting the property that is the subject of the application, as they appear on the most recent tax list;

- 3.4.2.3 to such other persons as the Commission shall deem entitled to notice.

The applicant shall be responsible for the costs associated with the mailing, posting and publishing of the required notices.

3.5 No less than fourteen (14) days before the public hearing, the applicant shall submit a sufficient number of copies of the Demolition Plan to the Commission, as may be required by the Commission, which shall include the following:

- 3.5.1 An Assessor's Map or plot plan showing the location of the structure to be demolished on its property with reference to the neighboring properties;
- 3.5.2 Photographs of all façade elevations of the subject property, street elevations of abutting properties and photos of the subject property in the context of its surroundings;
- 3.5.3 A description of the structure to be demolished;
- 3.5.4 The reason for the proposed demolition and data supporting said demolition;

Data requested by the Commission may include:

3.5.4.1 If the Applicant or Owner claims that the structure is structurally deficient, an independent licensed structural engineer's report from a qualified structural engineer with proven expertise in historic building techniques.

3.5.4.2 If the Applicant or Owner claims financial hardship, (1) an estimate from an architect, developer, contractor, or appraiser experienced in rehabilitation as to the cost to rehabilitate the building to the level of reasonable use or a reasonable profit can be realized from the property, (2) appraised value from a licensed appraiser for the property's current condition, after completion of the proposed demolition, and after rehabilitation of the existing property for continued use, (3) amount paid for the property, and (4) proof of effort to obtain financing, tax incentives, or preservation grants to earn a reasonable economic return.

- 3.5.5 A brief description of the proposed reuse of the property on which the structure to be demolished is located;

- 3.6 The Commission shall distribute copies of the Demolition Plan to the Director of Inspectional Services/Building Commissioner, as well as any other city agency the Commission deems appropriate.
- 3.7 The Commission will make one of either of the alternative determinations, which it will forward to the Director of Inspectional Services/Building Commissioner:
- 3.7.1 No Detriment. The Commission may determine that the demolition of the Significant Building would not be detrimental to the historical or architectural heritage or resources of the city.
- 3.7.2 Detriment. The Commission may determine that the demolition of the Significant Building would be detrimental to the historical or architectural heritage or resources of the city, and is therefore a Preferably Preserved Building based on the following criteria: it is (1) importantly associated with one or more historic persons or events, or with the architectural, cultural, political, economic or social history of the City or the Commonwealth of Massachusetts or (2) historically or architecturally important by reason of period, style, method of building construction or association with a particular architect or builder, either by itself or in the context of a group of Buildings.

The Commission will forward a copy of its determination to the Director of Inspectional Services/Building Commissioner, the applicant, the building owner, and the City Clerk within ten (10) days of the Commission's determination. The failure to forward its determination as herein provided will be equivalent to a Determination of No Detriment.

3.8 In the event of a Determination of No Detriment, or in the event that the Building Commissioner has not received a notice of the Commission's Determination of Detriment within ten (10) days of the determination, then the Director of Inspectional Services/Building Commissioner may issue the Demolition Permit, subject to the requirements of the State Building Code and any other applicable laws, rules, or regulations.

3.9 In the event of a Determination of Detriment, the Director of Inspectional Services/Building Commissioner will hold the application in abeyance for the issuance of a Demolition Permit regarding the Preferably Preserved Building during the Moratorium, which will be for a period of six (6) months commencing from the date of the determination

3.9.1 Notwithstanding the foregoing, the Director of Inspectional Services/Building Commissioner may issue a Demolition Permit regarding the Preferably Preserved Building prior to the expiration of the Moratorium, upon receipt of a determination by the Commission that::

3.9.1.1 the Commission is satisfied that there is no reasonable likelihood that either the owner or some other person, group or entity is willing to purchase, preserve, rehabilitate or restore the Preferably Preserved Building; or,

3.9.1.2 in exceptional circumstances, the Commission has imposed additional conditions on an applicant, including but not limited to submission of photographic documentation and/or architectural rendering of the structure, salvage of materials, or installation of historic signage, and said conditions have been met.

4. Emergency Demolition

If the Director of Inspectional Services/Building Commissioner determines that the Building poses an imminent threat to public health and safety and that immediate Demolition of the Building is warranted, the Director of Inspectional Services/Building Commissioner may issue a Demolition Permit without requiring compliance with the provisions of this Ordinance. The Director of Inspectional Services/Building Commissioner will make every reasonable effort to inform the Chair of the Commission of his order to require demolition.

5. Remedies

5.1 The Commission and the Director of Inspectional Services/Building Commissioner are each authorized to institute any and all proceedings in law or in equity as they deem necessary and appropriate to obtain compliance with the requirements of this ordinance, or to prevent a violation thereof.

5.2 No Building Permit will be issued with respect to any premises upon which a Significant Building has been demolished in violation of this ordinance for a period of two years after the date of the completion of such demolition. As used herein, "premises" will include the parcel of land upon which the demolished Significant Building was located, together with abutting parcels in common ownership.

5.3 Upon filing an application for a Demolition Permit of a Significant Building, the owner will be responsible for properly securing and maintaining the building. Should the owner fail to secure the building, the loss of such building through fire or other cause will be considered a demolition in violation of this ordinance for the purposes of Section 5.2.

6. Exceptions

- 6.1 This ordinance shall not apply to any building or structure owned by the City of Everett and/or any of its various departments and agencies, nor shall it apply to any building that has received a Special Permit, Variance or Site Plan Approval from the relevant permit granting authorities at the time of adoption of this Ordinance.

DRAFT

#1- C0055-25

Legislative Affairs & Election Committee
February 24, 2025

The Committee on Legislative Affairs & Elections met on Monday, February 24, 2025 at 6:00pm in the City Council Chambers.

The meeting was recorded by ECTV and can be viewed on the City of Everett website.

Members present were Councilor Robert Van Campen, presiding, Councilors Stephanie Smith, Katy Rogers and Stephanie Martins, as Ex-Officio. Member absent was Councilor Michael Marchese.

Communication received from Councilor Marchese that he would be away out of State and unable to attend.

The Committee considered an Ordinance offered by Councilor Robert Van Campen: An Ordinance regulating the demolition of historical structures in the City of Everett.

City Clerk Sergio Cornelio, Assistant City Solicitor Keith Slattery, Director of Planning Matt Lattanzi, Acting City Assessor Ron Keohan and Chairman of Historical Commission Larry Arinello were also present.

Chairman Van Campen explained that the reason for the proposed Ordinance was due to the significant overdevelopment of the City in which two family homes were being torn down to make room for a development of a six to eight unit family housing. He noted that there were a significant number of historical buildings in the City in which this proposed Ordinance would protect against profit seeking developers. He mentioned that this may not stop the development but would pause it to allow a process to be followed. He stated that it also forces the developer to seek a better option for the property. Councilor Rogers asked what the current definition of historical properties was and Mr. Arinello responded that it included 6800 structures that were built prior to 1940. Chairman Van Campen remarked that the 1940 date was a starting point for us and could be further categorized by age – category – historical register. Councilor Rogers suggested that the City of Chelsea policies on historical designations be looked at. Mr. Cornelio informed the Committee that the City of Everett had no structures with a Federal designation but confirmed that there were 180 structures recognized by the State of Massachusetts. Chairman Van Campen provided Councilor Rogers with an explanation of the process as outlined in the proposed ordinance. Councilor Rogers announced that she supported the effort but expressed concern over the six month pause in the proposal. Councilor Martins stated that she was a little confused with the proposal since she didn't want to see historical buildings demolished at all especially if at the end of process outlined in the ordinance a demolition could still be allowed. Councilor Smith inquired if the Zoning Board of Appeals could allow developers an exemption from the proposed Ordinance and Chairman Van Campen noted that was the reason he did not want this as part of the zoning ordinances so it couldn't be overridden by ZBA. Solicitor Slattery confirmed that it could be listed as a condition for development. Councilor Smith also announced that she supports 100% especially after hearing that it would be taking away from ZBA overriding, but she suggested changing any language with the word "may" to "must". Councilor Martins asked the invited guests if they liked and supported the proposal and all agreed they did. Councilor Rogers stated that she would like to see three categories to help reduce the 6800 structures built prior to 1940. Assessor Keohan cautioned that many properties listed in the Assessors office that showed a 1900 construction date was because no actual date

was known when it was actually constructed. Chairman Van Campen requested that Director of ISD David Palumbo be invited to the next committee meeting with the number of demolition permits issued over the past 3 years. He also asked Mr. Cornelio to check with other communities to insure that the proposed Ordinance is in line with what they have on the books.

The Committee voted: To grant further time and that Director of ISD David Palumbo be invited to the next committee meeting with the number of demolition permits issued over the past 3 years.

Respectfully Submitted,

John W. Burley
Clerk of Committees

C0057-25

To: Mayor and City Council

From: Councilor Stephanie V. Smith, Councilor Robert J. Van Campen, Councilor Stephanie Martins

Date: February 10, 2025

Agenda Item:

An Order amending the Everett City Council Rule regarding pre-planned expenses for travel and conference fees

Background and Explanation:

Attachments:

CITY COUNCILNo. C0057-25

IN THE YEAR TWO THOUSAND AND TWENTY-FIVE

AN ORDER AMENDING THE EVERETT CITY COUNCIL RULE REGARDING PRE-PLANNED EXPENSES FOR TRAVEL AND CONFERENCE FEES

/s/Councilors Stephanie V. Smith, Robert J. Van Campen and Stephanie Martins

Whereas: The purpose of City Council Rules is to document the accepted practices and clarify expectations by establishing guidelines for the orderly, consistent, and fair conduct of the City Council's business.

Whereas: City Council Rules should be updated whenever better practices are identified.

Now, therefore, by the authority granted to the City Council of the City of Everett, Massachusetts by its City Charter to adopt rules regulating its procedures:

Be it Ordered by the City Council of the City of Everett, Massachusetts that Rule 54 of the Rules of the Everett City Council of Everett be amended as follows:

Subsection D.5 of Rule 54 is hereby amended by deleting the current text of the subsection in its entirety and replacing it with a new version of the subsection text as follows:

5. Whenever possible, reservations for pre-planned expenses for travel and conference fees for city council members that are to be paid from funds appropriated for city council expenses shall be made by a member of the city council office staff using a city credit card.
 - a. The associated charges shall be applied to the same line item used to reimburse members for their personal actual and necessary expenses;
 - b. The council staff member who made the reservations shall submit expense reports as necessary for such expenses;
 - c. Such expense reports may contain expenses attributed to one or more members; but such reports shall clearly delineate the expenses attributed to each member; and.
 - d. For members of the city council staff who have pre-planned expenses for travel and conference fees, the same process shall be followed but the associated charges shall be applied to the department's professional development line item.

This act shall take effect upon its passage.

Legislative Affairs & Election Committee
February 24, 2025

The Committee on Legislative Affairs & Elections met on Monday, February 24, 2025 at 6:00pm in the City Council Chambers.

The meeting was recorded by ECTV and can be viewed on the City of Everett website.

Members present were Councilor Robert Van Campen, presiding, Councilors Stephanie Smith, Katy Rogers and Stephanie Martins, as Ex-Officio. Member absent was Councilor Michael Marchese.

Communication received from Councilor Marchese that he would be away out of State and unable to attend.

The Committee considered an Order offered by Councilors Stephanie Smith, Robert Van Campen and Stephanie Martins: An Order amending the Everett City Council Rules regarding pre-planned expenses for travel and conference fees.

Councilor Smith explained that the intent was to bring the City Council in line with the travel policies of the rest of other city employees. However, she noted that she had spoken with Chief Financial officer Eric Demas prior to the meeting and he suggested that the language included in the City wide policy also be included in the City Council rules which he agreed to provide prior to the next meeting.

The Committee voted: To grant further time.

Respectfully Submitted,

John W. Burley
Clerk of Committees

C0077-25

To: Mayor and City Council

From: Councilor Anthony DiPierro

Date: March 4, 2025

Agenda Item:

That the City Council hereby deletes section 7-167 Longevity-Mayor in its entirety and replaces it as follows4

Background and Explanation:

Attachments:

ENROLLED ORDINANCE

*PUBLISHED PURSUANT TO CHAPTER 1 SECTION 4.5 OF THE REVISED ORDINANCES OF THE CITY OF
EVERETT AND IN COMPLIANCE WITH MASSACHUSETTS GENERAL LAWS Chapter 43, Section 23.*

ENROLLED: XX/XX/XXXX DATE OF PROPOSED ORDAINMENT: XX/XX/XXXX

CITY COUNCILNo. C0077-25

IN THE YEAR TWO THOUSAND AND TWENTY-FIVE

AN ORDINANCE REDEFINING THE ANNUAL LONGEVITY BONUS PAYMENT

Councilor /s/ Stephanie V. Smith, Katy Rogers, Michael Marchese, Robert Van Campen,
Stephanie Martins, Peter Pietrantonio, Guerline Alcy-Jabouin, Holly Garcia,

Whereas: The Office of the Inspector General (OIG) notified the City Council as part of an investigative report, that the purpose of longevity payments “is to reward and retain employees for their skill and experience through a system that recognizes years of valuable service. Longevity payments are not a means to pad the salaries of elected officials”; and

Whereas: The Office of the Inspector General (OIG) recommended the City Council to “eliminate longevity payments to elected officials”; and

Whereas: Elected officials of the City of Everett, including the Mayor, members of the City Council and School Committee, are compensated through salaries established by ordinance or state law, and additional bonuses tied to tenure may undermine the principles of equitable governance and public service.

Now, therefore, by the authority granted to the City Council of the City of Everett, Massachusetts to make ordinances:

Be it Ordained by the City Council of the City of Everett, Massachusetts that the Revised Ordinances of the City of Everett be amended as follows:

Section 7-167 of the Revised Ordinances of the City of Everett is hereby amended by deleting the entire current text of said section, including title and replacing it with the following text:

7-167 Longevity – Elected Officials

(a) Definitions

- Elected Official: any individual holding a position in the City of Everett that is filled through a public election process, including but not limited to the Mayor, City Council member or School Committee Member

- Longevity payment: any payment, stipend, or benefit provided to an individual based solely on the years of service or tenure in a position
- (b) No elected official is eligible or shall receive a longevity payment during their time in office or retroactively for time served in an elected position

This ordinance shall take effect upon passage by the City Council and subsequent approval by His Honor the Mayor.
